Yellow fever at Bocas del Toro under control.

COLON, COLOMBIA, *September 11, 1900.*

SIR: I have the honor to advise the Department that yellow fever appeared at Bocas del Toro on date of August 17, 1900, and at that time there were 4 cases at that place. I am this day advised by the consular agent, in person, that there have been only 5 cases of fever at this port and 3 deaths. He also advised me that no new cases had appeared for eight or ten days and it was thought that the disease was under control.

Respectfully, T. S. FLOURNOY COBBS,
Vice and Deputy Consul.

Hon. ASSISTANT SECRETARY OF STATE.
